Howdy,

January was a flurry of activity with the various organizations all holding their annual planning meetings. Collectively, we have laid out an ambitious agenda of projects for this year.

We will be meeting on February 1st to discuss plans for our first event of the year: the **5th Ann. St. Patrick's Parade**. We will also discuss the **2011 Historic Delano Visitors Guide**.

Other meetings in February include the planning meeting for the **Delano Farmers Market** on Wednesday, Feb. 2nd, the organizational meeting of the **Delano CDC** on Feb. 8th, the **Delano Business Association** on Feb. 10th & **Delano Neighborhood Association** Feb. 15th.

More information on these meetings can be found on HistoricDelano.com under the calendar link, or you can e-mail or call us with questions.

In other news, on Wednesday, January 19th the **Delano - West Douglas Bicycle Parking Plan** was presented to the **Wichita Design Council**. They made several recommendations that were then incorporated into the plan.

We hope to get the proposal submitted to the **Wichita City Council** by the middle of March for their approval. We will inform everyone when that date is set. It will be helpful if we can get a large crowd of people to show up at the Council meeting in support of this plan.

Off to a good start! - Jim & Nancy
